

Welcome

Your City Saver membership is an invitation to explore food and fun in and around your city.

The merchants contained herein have extended invitations in the form of discount certificates in the hopes that you will visit and enjoy your experience.

Please read carefully the rules of use below and on each certificate.

We sincerely appreciate our participating merchants' efforts in supporting our community.

RULES OF THE ROAD FOR THE CITY SAVER OFFERS:

When do I present my coupon?

Discount certificates should be presented to the establishment prior to ordering goods or services.

How do the restaurant offers work?

If the offer is a buy one, get one free, you would order two or more main course entrées and your server will deduct the least expensive entrée (up to the maximum dollar amount stated on the certificate).

If the offer is a 50% OFF, you would order one main course entrée and your server will deduct 1/2 of the amount of that entrée (up to the maximum dollar amount stated on the certificate).

What if a restaurant offers other specials?

Unless otherwise noted, certificates cannot be used in conjunction with any other offers or discounts.

What about dining in groups?

All of the restaurant coupons in this year's book have the disclaimer – One coupon per table/party, per visit. This means if multiple people or a group visit the restaurant, only one person in that group can use the coupon.

What about Gratuity?

In general, the tip should total 15 to 20% of your bill prior to deducting the discount. Also, some restaurants do reserve the right to automatically add gratuity when a discount certificate is used.

Holidays are excluded from the use of discount certificates.

All offers are invalid on Christmas Eve and Day, New Years Eve and Day, Thanksgiving, Valentine's Day, Mother's Day, Father's Day, Easter, St. Patrick's Day. Regional events may also be excluded at the individual restaurant's discretion.

All participating merchants have entered into a legal agreement with City Saver.

City Saver cannot be held liable for any events beyond its control.

This includes the failure of a business to honor the certificate due to a change in management or ownership, closing of a business or any other circumstances.

We hope you enjoy!
